### Notes:

- **Tuition assistance money** (based upon need) is available from Big Shoulders. During the 2017-2018 school year, several BCA families requested assistance from the Big Shoulders Fund and most received some tuition aid. Applications for the scholarship program will be available in September. A ten-month **payment plan** is available.
- 3% discount for family annual tuition paid in full on or before **October 1<sup>st</sup>**.
- One-half (50%) of all fundraising credits, which exceeds your annual family fundraising obligation, will be credited to your account (50% of chocolate sales, 100% of the super raffle, and 100% of the walkathon). Any year-ending account credit balances will be rolled into your account for the following year, or refunded upon request.
- In the event that BCA needs to, or decides to restrict any enrollment, your timeliness and history of account payments will be considered.

\* As Partners in the Catholic formation of your children, BCA sponsor parishes share in supporting their education in the form of a subsidy of \$300 Per Pre K – grade 8 student. In this partnership, families are expected to actively participate in the sacraments. Your “parishioner” tuition status is based on such participation.
