

August 17, 2018

Dear Students/Parents,

Thank you so much for your cooperation in following the guidelines in making our traffic management plan a success. It is because of your cooperation and help from our volunteers that it is being implemented with fidelity, ensuring the safety of our students.

This year, again, we are looking to enlist our students to help in this community process, as well. 7th and 8th graders that are looking to attain community service hours are asked to sign up for morning patrol.

- We are looking for 1-2 volunteers **who can commit to a week to start the rotation.**
- **The commitment is from 7:30-7:55** each morning for their week's rotation: earning students .5 hour each day
- Patrol will help younger students from their cars, walking them to their respective doors; Student patrol #2 will hold the door open for students, beginning at 7:40.
- Students will return to class by 7:55. They are not marked tardy (and may turn assignments in when returning to class) during this service period.

Please sign below if you are interested in earning service hours by joining our Student Safety Patrol!

Thank you.
